Section 2. Declaration of Public Health State of Emergency

The City Council hereby declares a public health state of emergency within the City because of the proliferation of COVID-19 in the United States and the State of Georgia, which will remain in force and effect for twelve (12) days from the date hereof ending at 11:59 pm on April 6, 2020, unless further extended by order of the City Council.

Section 3. Public Gatherings on City Property

For the duration of the declared emergency, there shall be no public gatherings on any property owned or controlled by the City. To avoid confusion, the following definitions shall apply under this Section: a “public gathering” shall mean the organized gathering or assembly of ten (10) or more persons at a specific location; “property owned or controlled by the City” shall include any park, public square, public space, playground, recreational area, or similar place of public gathering, but nothing herein shall prohibit individuals or families from using sidewalks or designated pedestrian areas of parks for walking or other exercise if they are not participating in an organized gathering.

Section 4. Utility Services

For the duration of the declared emergency, the City will not disconnect any public utility service provided by the City on account of non-payment. After the conclusion of the declared emergency, persons will have a period of ten (10) days to make such payments before service may be disconnected.

Section 5. Classification of City Services

- (b) To assign specific employees to required or discretionary services, and to periodically review and modify such assignments.
- (c) To use his or her discretion to permit employees to telework.
- (c) To temporarily suspend the provision of discretionary services and to direct employees who provide discretionary services not to report to work until such time

Any deadlines for the purchasing or obtaining by persons or businesses of occupation tax certificates, permits or similar civil approvals mandated by the City Code shall be tolled for the duration of the emergency as established herein, and for 15 days thereafter. Such persons or businesses shall obtain necessary permissions required by law but deadlines set by the City Code are tolled for the duration of the emergency as established herein, and for 15 days thereafter.

Section 7. Eating Establishments

Restaurants and other eating and dining establishments where food is served must cease offering dine-in services but may continue preparing and offering food to customers via delivery, drive-through or take-out services. Patrons, employees and contractors of the establishments must maintain at least six (6) feet of personal distance between themselves and others. If a restaurant is licensed to sell beer and wine for on-premises consumption, such restaurant, during the effective dates of this ordinance only, shall be authorized to sell unopened bottles or cans of beer or wine for take-out consumption off-premises.

Section 8. Closure of Certain Businesses

Any and all businesses which possess a license to sell alcohol by the glass and/or “bars” as defined by the City Code must close and remain closed during the duration of this emergency. Section 11. Emergency Interim Successor to Administrator

The governing authority desires to make certain that the chain of authority within City management is clear. If the City Administrator is unable to perform his or her duties, then the individual designated by the City Administrator as the emergency interim successor pursuant to O.C.G.A. § 38-3-50 shall assume the duties of the City Administrator.
